

# Remote learning EYFS

Year Group: Reception	WEEK BEGINNING: 3/5/2021
-----------------------	--------------------------

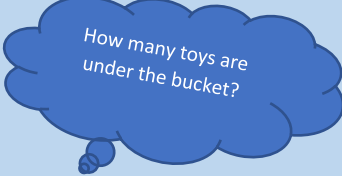

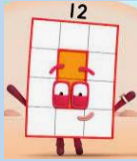

This is an overview of the main areas of learning in Year Reception for this week which will link to the learning going on in school. Please send pictures of your child's work to their teacher via Evidence Me.

**Number, shape & measures:**

**Number of the week: 12.** Watch this episode of [Numberblocks](#) to learn about 12. Can you count out 12 pieces of cereal? Eat one at a time and see how many are left each time.

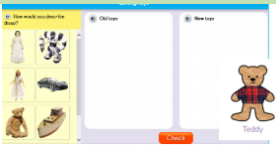

**Shapes of the week: square and a cube.** Watch this video about a [cube](#). Can you compare a cube and a square?

**Challenge:**  
Collect 10 toys. Ask a grown up to hide some of them under a container whilst you have your eyes closed. When you open your eyes, can you work out how many toys are missing?

**The World/topic Irresistible Learning Topic: Old Toys**

**Activity 1:** Log in to Espresso and search **Old Bear stories**. Explore the foundation module by looking at videos, pictures and books. Also on Espresso search **Sorting toys**. Click on the activity and have a go at sorting new and old toys. Discuss why they think it might be new and old. Think about the materials that the toys are made from.

**Activity 2:** Have a go at making your very own spinning top! Click [here](#) to find out how you can do this. Did you enjoy planning with your spinning top?

**Communication, language & literacy:**

**Word of the week:** Fragile

**Phonics:**

**Lesson 1** [Revisit the /oa/ sound](#)

**Lesson 2** [Revisit the long /oo/ sound](#)

**Lesson 3** [Revisit the short /oo/ sound](#)

**Lesson 4** Write some words that have the /oa/ and /oo/ sound in. Practise reading the words. Can you put them into a sentence?

**Tricky words:** they and her

**Reading:** Read some of your books on [Bug Club](#).

Make some puppets of the characters in the book you have read. Can you use them to retell the story? Which was your favourite part?

**Writing:**  
Draw a teddy bear on some paper. Add some labels to the teddy. What colour is your teddy bear? How does it feel? Have a go at writing what it feels like. You might start the sentence with 'My teddy is...'

**Wellbeing –**

This week is **National Sun Awareness Week**. We have been lucky to enjoy some warmer weather recently but it's always good to be reminded about safety in the sun too. [Click here](#) to watch a video about the sun's harmful UV rays. After watching the video talk to someone in your family about what you have learnt about sun safety.

**Perseverance** is the school value that we are focussing on this week – remember to always do your best and to keep going, even when things are tricky. You could have a go at an activity at home to learn about perseverance: practise hitting a ball with a tennis racket, have an egg and spoon race with someone at home or try throwing and catching a small ball to yourself.
