Wellbeing- Creativity

The last 12 months have been memorable for lots of reasons. Through the difficult times, we have all found moments to celebrate in our families but also as a country. Often special events are commemorated in new coin designs – which is where you are needed! Your task is to **design a new coin**. What will you choose as your design to celebrate the special achievements and memories from the last 12 months? You may wish to focus on a specific person, theme or event.
Don't forget to upload a photo of your design to Evidence Me
