

This is an overview of the main areas of learning in Year 3 for this week which will link to the learning going on in school.

Year Group: Year 3

WEEK BEGINNING: 21.06.21

Maths

This week we will be revisiting fractions using Oak Academy. Start [lesson 11](#) and complete a new lesson every day.

Challenge: Think carefully about these challenge questions.

1) Which is the odd one out? Explain your answer.

My denominator is 10. My numerator is greater than 6 but less than 9.

What could Hamed's fraction be? Explain how you know.

2) There are 10 bags of crisps in a cupboard.

- $\frac{3}{10}$ are ready salted.
- $\frac{1}{10}$ are salt and vinegar.
- $\frac{4}{10}$ are cheese and onion.
- $\frac{2}{10}$ are prawn cocktail.

Gary admits to his friends that he has eaten all of his favourite flavours and only $\frac{1}{10}$ of the crisps are left. Find all possibilities for which flavours he ate.

Fluency:

Log onto [TT Rock Stars](#) to improve your speed and recall of multiplication and division facts. Count on and back in steps of 50, make your own number line and see how quickly you can count forwards and backwards. Then have a go at counting in steps of 25, make a numberline and see which numbers are on the same when you count in steps of 25 and 50, can you explain why?

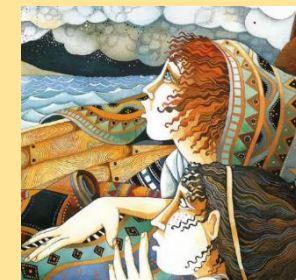

English

Oak Academy: This week we are starting a unit on narrative writing about [The Fate of Fausto](#), start on lesson six and complete a new lesson every day.

Writing challenge: This week we are going to be writing about adventure stories, listen to the story [Escape from Pompeii](#), stop the video at 5.50. Then write what you think will happen next in the story. You could email your writing to us using 2Email.

Reading: [Have some fun logging on to Bug Club and see what books you have been given to read.](#) Remember you can also access the online edition of First News. Ask a parent or carer to fill in this [form](#) to get free access to the newspaper.

Spelling: This week we are looking at some common exception words, there is a sheet of spellings and a quiz to complete on Purple Mash.

Irresistible Learning:

Italian Adventure-Boudicca

Watch this clip and look at the information about Boudicca. Then complete the 2Do on Purple Mash and create a web page using the information that you have read. Add some pictures and check you have included the key facts. You can share this on our year three display board. You could also have a go at completing a wanted poster for Boudicca, this has been set as a 2Do.

Science- Seed investigation

This week we are investigating the number and shape of seeds in different fruit and vegetables. If you have any fruit or vegetables at home, have a look which ones have seeds inside. Look at the different shapes of the seeds and how many there are. Are they the same or different? Why do you think that is? Do all fruit and vegetables have seeds inside?

Wellbeing-Get Active

It is so important for our wellbeing that we keep active. Use the Junior Park run warm up [here](#) or complete this fitness bingo activity sheet [here](#) to give you ideas of how you can stay fit when at home. Here are some other popular links that you might enjoy:

- [BBC Supermovers KS2 Wellbeing](#)
