|---------------|------------------------|
| Year Group: 6 | WEEK BEGINNING: 7/3/22 |
|---------------|------------------------|

This is an overview of the main areas of learning in Year 6 for this week which will link to the learning going on in school. Please use these as the main activities for remote learning if your child is unable to attend school during this week.

Maths: Algebra

- L1 Finding a rule – two step [\(Click here\)](#)
- L2 Substitution [\(Click here\)](#)
- L3 Formulae [\(Click here\)](#)
- L4 Finding pairs of values 1 [\(Click here\)](#)
- L5 Finding pairs of values 2 [\(Click here\)](#)

Additional challenges:

- Complete the 2dos on Purple Mash.

Mental fluency: [TTRockstars](#)

Which Bar Model?

Which bar models correctly represents the equations?

$$a - 7 = b$$

$$4c = d$$

English: [New Unit - Sherlock Holmes](#) (complete lessons 11 – 15 of this new unit which includes reading, writing and SPaG elements)

***Additional Writing Challenge:

Click [here](#) to find out more about the ancient Maya sport of Pok-a-Tok. Compare and contrast this with sports played today - think about equipment, stadium and rules. Write a set of instructions about how to play the game using this example [here](#) to inspire you.

SPaG:

1. Complete the **spelling 2do** quiz set on Purple Mash – **Y6 Spr 2 Wk 2**

Reading

1. [A career in Computer Games - Anthony Horowitz](#) – complete lesson 2
2. **Reading for pleasure** – read the latest edition of the First News newspaper [here](#) - you will find lots of interesting articles and reports on a range of interesting topics. *Your parents will need to sign up to the **free** subscription first.*
3. Don't forget there are books for you on [Bug Club](#).

Irresistible Learning Topic – Magnificent Maya

Maya Food – Find out more about the food eaten by the Maya. Watch the video [here](#). Use the section headings in the 2do and information from your own research to present your findings about Maya food on the 2do set.

- Geography:** 1: Find out more about the continent of North America through this online lesson [here](#). The area inhabited by the Maya was in the country of Mexico towards the south of this continent. Look it up in an atlas at home if you have one.
2. Learn more about the world in this clip [here](#) and about the ancient cities of the Maya [here](#) - use the interactive map to learn more about these places.

Science: Complete the activities on the sheets [here](#). You can mark your own answers using the final page. Send your teacher a copy to 2email to show us how much you have understood.

Wellbeing – Mindfulness

This week, we want to take time to think about being mindful and how doing this can help of mental health and wellbeing.

- Make your own mindful minute bookmark using ideas [here](#). Focusing on your senses can help to restore a feeling of calm when you are anxious or worried.
- **Signs of Spring** – When you look outside, what can you see when you look around? What flowers emerge at springtime? Use [this](#) spring hunt checklist to help you. Maybe you could design a spring picture showing what you have discovered and email it to your class teacher. Or use your spring inspiration to create a card for someone at home.
