

Year 1 – Week 4 – Weekly Activities

**Topic (History/DT)**

This week we are learning about the history of the seaside. British families have been visiting the seaside for many years for their holidays. What do you think it would have been like over 100 years ago? With an adult, if you can, use the internet to research how the seaside has changed over the years.

In our school we have lots of toys for you to play with. In the past, toys were very different. Children didn't have computer games or toys with batteries. One common toy was the cup and ball. Can you have a go at designing and then making your own cup and ball toy? [Click here](#) for some ideas.

**Science – Environment**

In school we have been on an autumn walk and a winter walk. Can you remember the changes we saw in the environment?

When you are on your daily walk, see if you can see the changes now we are nearly at the end of spring. How is it different to autumn and winter? How will it change in the summer? Are there different plants? Do all the trees have leaves? Are leaves falling now? Is it warmer outside? Can you spot the changes you have seen on [this video](#)?

**Maths**

**Rolling numbers** - Can you teach someone in your house the 2's, 5's and 10's using your rolling numbers. Here's [the link](#) if you need it.

**Oak Academy – Week 5**

Complete the tasks given over the week. One lesson per day.

<https://www.thenational.academy/online-classroom/year-1/#schedule>

**Challenge**

Use this [Nrich game](#) to practise your addition to ten. There are other games you may like on there as well

**Computing**

This week you can use [Purple Mash](#) to try some touch typing. You can also access Purple mash through [RMunify](#). Once you have logged in. Use the search engine to search 'touch type' and use the app '2type' accessing the 'first step' activities.

You can also have a go at making your own story using the app '2make a story'. Just search 'create a story' in the search engine.

You can choose to use any of the other games available on purple mash or continue to use [TT rockstars](#) using your login.

**English**

**Oak Academy – Week 5**

Complete the tasks given over the week. One lesson per day.

<https://www.thenational.academy/online-classroom/year-1/#schedule>

**Challenge**

Make a poster to show all the 'oe' 'o\_e' 'oa' and 'ow' sounds. How many different words can you remember? Can you make any alien words?

**Phonics** – letters and sounds – practise various sounds using this [link](#)

*We would like you to read or listen to a story for at least 20 minutes a day. Here are some ideas below.*

Choose any book you may have at home, can you read this book to yourself or to an adult.

If you could make your own ending, how would you change it?

**Rising stars comprehension** – Read or listen to the [Hansel and Gretel story](#) (scroll to activity 37) then answer the questions that go with it. There are other stories on there as well you may want to read or listen to.

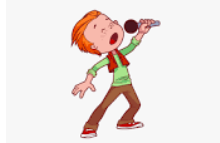

**Story line** – choose a story from here: <https://www.storylineonline.net>

**Wellbeing – keep safe**

When you are on your daily walk think about road safety and when it is safe to cross a road and when it is NOT safe. Watch [this video](#) about road safety.

Remember to keep safe online and to ask an adult before going on a website you haven't used before. [Click here](#) to learn more about staying safe online.

**Try some singing**  
[It's getting too hot for monkeys](#)

**PE**

We would have been practising for our sports day this week. When you are outside with your family you can hold your own family sports day. You could try:

- A running race,
- An Egg (or tennis ball) and spoon race,
- Throwing something onto a target,
- A dressing up race,
- A jumping race,
- A hopping race.

You can race against someone in your family.
