3. E	3. Barriers to future attainment (for pupils eligible for PP, including high ability)					
In-sc	In-school barriers					
A.	Pupils achieving good level of development in EYFS. Speech and language skills on entry in Early Years are lower for pupils eligible for PP than for other pupils throughout the school. This slows reading progress, and acquisition of mathematical language in subsequent years. School are currently part of Black Country Teaching Schools EYFS project.					
В.	Pupils achieving the required standard in Phonics screening test in KS1					
C.	Fundamental arithmetic and number skills are less well developed for PPG than other pupils, and impacts on pupils reaching expected combined standard in Maths and English (Reading & Writing) at the end of KS1, and potentially in KS2. School are currently part of NCETM Maths Mastery specialist project.					
D.	Pupils reaching expected standard in English (Reading & Writing) and Maths at the end of KS2					

	Middle ability pupils who are eligible for PP are meeting 1/3 or 2/3 of expected standards, but not all three measures in statutory assessment tests outcomes. Pupils achieving Level 2A at KS1 are converting to the new measure of EXS at KS2, though not all pupils eligible to PP meet national expectation of GDS based on prior attainment groups of 'higher prior attainment band'.				
E.	Increased need for pastoral / mental health / self esteem support for individuals				
Exter	nal barriers (issues which also require action outside school, such as low attendance ra	ntes)			
F	Whilst attendance rates for pupils eligible for PP have improved significantly over time (from 91.7% to 94.3 This reduces their school hours and causes them to fall behind on average. Persistent absentees	33%), this remains below the target for all children of 96%.			
G	Home environment factors where families require Early Intervention / parenting support / budgetary support children's centre / children's services. Families supported , including	rt in order to access support from relevant services eg housing / health /			
4. D	esired outcomes				
	Desired outcomes and how they will be measured	Success criteria			
A.	Improve acquisition of language for pupils eligible for FSM in Reception class. Improve acquisition of mathematical language for FSM in Reception class.	Pupils eligible for FSM in Reception class make rapid progress by the end of the year so that all pupils eligible for PP meet age related expectations, or making accelerated progress towards age related expectations. Aim to achieve good level of development

Quality first teaching, and targeted interventions in Phonics and Reading if required for pupils eligible for PP	Pupils eligible for PP in Year 1 classes make rapid progress by the end of the year so that all pupils eligible for PP and are making accelerated progress towards or meet required standard in Phonics screening test.			
C.	Improve Pupils reaching expected standard in English (Reading & Writing) and Maths at the end of KS1. Improve arithmetic and number skills for PPG compared to other pupils in EYFS and across KS1 in order to impact on percentage of pupils reaching the expected combined KS1 standard in English (Reading & Writing) and Maths	Pupils eligible for PP in Reception, Year 1 and Year 2 classes make rapid progress. By the end of the year all pupils eligible for PP make accelerated progress towards to age related expectations with majority achieving the expected standard in KS1 for Reading, Writing and Maths.			
D.	Improve percentage of pupils reaching combined expected standard in English (Reading & Writing) and Maths at the end of KS2 Middle ability pupils who are eligible for PP meet 2/3 or 3/3/ of expected standards. Higher rates of progress across KS2 for middle attaining pupils (2A) eligible for PP in the high prior attainment band	Middle attainers eligible for PP targeted for combined measure across Key Stage 2 in maths, reading and writing. Interventions in any of 3 areas are successful to support improved combined outcomes in KS2. Pupils eligible for PP identified as high ability make as much progress as 'other' pupils identified as high ability, across Key Stage 2 in maths, reading and writing. Measured in Y4, 5 and 6 by teacher assessments and successful moderation practices established across the SLP cluster.			
E G	Access to in school support for pastoral care / mental health / self esteem. Access to Early Intervention / parenting support / through TAFs and swift signposting to relevant services eg housing / health / children's centre / children's services to support children and families. Maintain reduction in the number of persistent absentees among pupils eligible for PP to below 10%. (2017 IDSR PA 11.3% reduced to 7.5%)
