

Remote learning

Year Group: 4	WEEK BEGINNING: 16.05.22
----------------------	---------------------------------

This is an overview of the main areas of learning in Year 4 for this week which will link to the learning going on in school. Please use these as the main activities for remote learning if your child is unable to attend school during this week.

Maths-Oak Academy
Interpreting and presenting data: Start on [lesson 1](#) and complete a new lesson every day.
Maths challenges

Which questions are easy?
Which questions are hard?

$8,7273 + 4 =$
 $8,273 + 4 \text{ tens} =$
 $8,273 - 500 =$
 $8,273 - 5 \text{ thousands} =$

Why are some easier than others?

Tamsin adds 2 numbers together that total 4,444

Both numbers have 4 digits.
All the digits in both numbers are even.

Tamsin
What could the numbers be? Prove it.
How many ways can you find?

Mental fluency: [TTRockstars](#) Complete **2dos** set on Purple Mash linked to multiplication and division. Play 'Hit the Button', [daily 10](#) and monster multiplication on Purple Mash to practise your times table and division facts.

English: Oak Academy:
We are continuing to work on the explanation unit Chocolate Making (lessons 8-12) [click here](#).

Writing Challenge Newspaper Reports
We are starting to write **newspaper reports**. Complete the lesson and activities on this BBC Bitesize [link](#) about the features of newspapers.

SPaG
Spelling - Please complete the **2do Quiz –Summer1 week 4** and look, cover, say, write sheet on Purple Mash.

Reading
Log into [Bug Club](#) and read your allocated books and have a go at answering the questions. Read the latest edition of the First News newspaper [here](#) - you will find lots of interesting articles and reports on a range of interesting topics. *Your parents will need to sign up to the [free subscription first](#).*

Irresistible Learning Topic –Geography
Can you remember the names of some counties in England that we looked at last week? This week we are learning about some of the main rivers in the UK. Have a think if you already know the names of any rivers, can you name any rivers that are close to Stourbridge? Use the map to find the location of the rivers listed: Severn, Ouse, Thames, Spey, Forth, Shannon and Clyde. Can you find out what country they are in and the names of any cities that they are located in?

Science: States of matter
This week we are connecting what we already know about the water cycle to states of matter. [Watch](#) this clip to remind you of the water cycle and then see if you can explain the difference between evaporation and condensation. What do you know now about the different states of water?

Wellbeing – Walk to school week
This week is walk to school week, you are encouraged to make as many active journeys as you can this week. There are many benefits when we walk to school, take each of the headings listed below and then make a poster to promote the advantages of walking to school.

- Social
- Road safety
- Health
- Environment

Think about how walking makes you feel, do you like walking? Where do you like walking? Walking is also a fantastic way to exercise.
